(1559- 1640)
Long Buckby,
Northamptonshire
England

William's ancestors;
Parents:
Robert Wadsworth
& Agnes Hill

Grandparents:
John (b. 1505)
& Ann ?

Great Grandparents:
William (B. 1480)
&
Elizabeth ?

Publishers Note

This chart was created by M. Corrin Strong, of Genesee, NY, an 11th generation descendant of William Wadsworth and most recently updated on March 10, 2022.

It follows the male lines of descendants of William Wadsworth (1594-1675) since his arrival on the good ship Lion (or Lyon) on Sept. 16, 1632, in Boston, Massachusetts.

For convenience the chart is divided into five parts. Charts 1-3 follow the descendants of William's first wife Sarah Talcott, mainly through his 5 grandsons, children of
John Wadsworth (1625- 1689) and Sarah Stanley, as follows:

Chart 1: Descendants of Samuel, Deacon John and Ensign Nathaniel Wadsworth.
Chart 2: Descendants of William Wadsworth
Chart 3 : Descendants of James Wadsworth

Charts 4-5 cover the descendants of William's second wife Elizabeth Stone, as follows:
Chart 4: Descendants of Thomas Wadsworth
Chart 5: Descendants of Captain Joseph Wadsworth of Charter Oak fame.

Both John and his father were born in England and came to this country as part of the Great Puritan Migration of 1620-1650. The family helped found the town of Hartford, Ct and
then spread across the country to Western New York, Ohio, Michigan and beyond!

Research was done with many online sources
as well as the updated version of the Wadsworth Family in America, published in 1985 by Mary Jane Fry Wadsworth.

The publisher has no
intention of following the many descendants of Christopher Wadsworth who reportedly arrived on the same voyage of the ship Lion, since recent DNA research has established that there is no relation between the two large families.

No doubt there are many errors and omissions in this current draft. Feel free to contact the publisher with any corrections at:
corrin07@gmail.com

Updates to these charts will be published periodically at:
www.WadsworthInstitute.org

Files may be printed out for research purposes. Copies of each approx. 36" X 72" chart can be ordered.
